

School Ethnicity Report www.swis.org

Graph #1: Percentage of all enrolled students by ethnicity and percentage of referrals by ethnicity

This graph shows the number of students within an ethnic group divided by total enrollment

And.....

The **number of office discipline referrals from an ethnic group** divided by the total number of office discipline referrals.

Does the proportion of referrals over-represents any specific ethnic group?

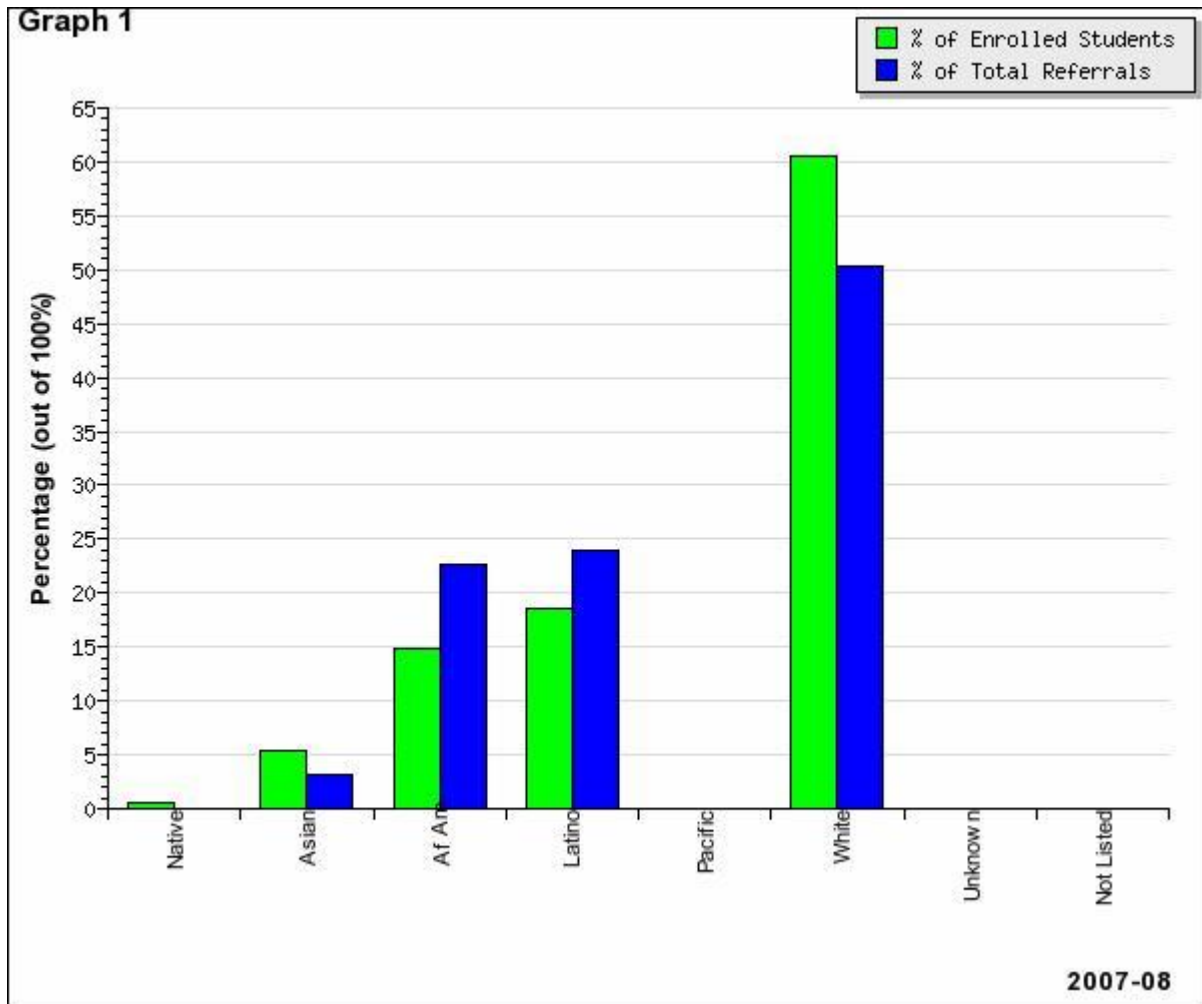

Table for Graph 1

| Number of Enrolled Students | Number of Referrals | Percentage of Enrolled Students | Percentage of Total Referrals | |
|------------------------------------|----------------------------|----------------------------------------|--------------------------------------|---------|
| Native | 3 | 0 | 0.51 % | 0.00 % |
| Asian | 32 | 5 | 5.43 % | 3.07 % |
| Af Am | 88 | 37 | 14.94 % | 22.70 % |
| Latino | 109 | 39 | 18.51 % | 23.93 % |
| Pacific | 0 | 0 | 0.00 % | 0.00 % |
| White | 357 | 82 | 60.61 % | 50.31 % |
| Unknown | 0 | 0 | 0.00 % | 0.00 % |
| Not Listed | 0 | 0 | 0.00 % | 0.00 % |
| <u>Totals</u> | 589 | 163 | | |

Graph #2: Percentage of all enrolled students by ethnicity and percentage of students with referrals by ethnicity

This graph show the number of students within an ethnic group divided by total enrollment and...

The **number of students with a discipline referral** divided by the total number of students with discipline referrals

Which students are being referred over-represents the proportion of students in any ethnic group

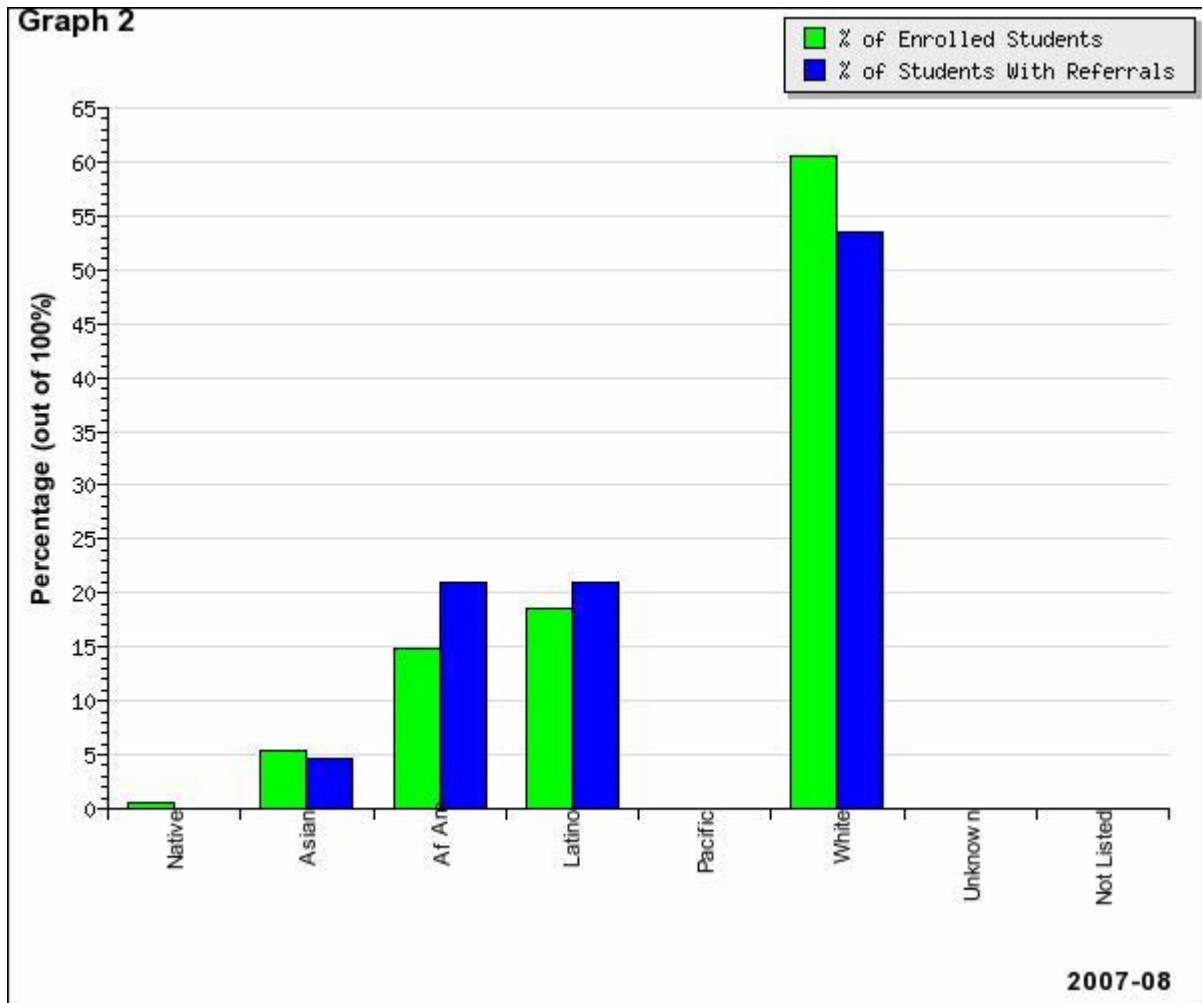

Table for Graph 2

| Number of Enrolled Students | Number of Students With Referrals | Percentage of Enrolled Students | Percentage of Students With Referrals | |
|------------------------------------|------------------------------------------|----------------------------------------|----------------------------------------------|---------|
| Native | 3 | 0 | 0.51 % | 0.00 % |
| Asian | 32 | 2 | 5.43 % | 4.65 % |
| Af Am | 88 | 9 | 14.94 % | 20.93 % |
| Latino | 109 | 9 | 18.51 % | 20.93 % |
| Pacific | 0 | 0 | 0.00 % | 0.00 % |
| White | 357 | 23 | 60.61 % | 53.49 % |
| Unknown | 0 | 0 | 0.00 % | 0.00 % |
| Not Listed | 0 | 0 | 0.00 % | 0.00 % |
| <u>Totals</u> | 589 | 43 | | |

Graph #3: Percentage of students within each ethnic group who have referrals

The number of students with office discipline referrals from each ethnic group is divided by the number of enrolled students in that ethnic group. This allows comparison of rates of referrals across ethnic groups in the school, and provides identification of any ethnic group that is experiencing a proportionally higher rate of referrals.

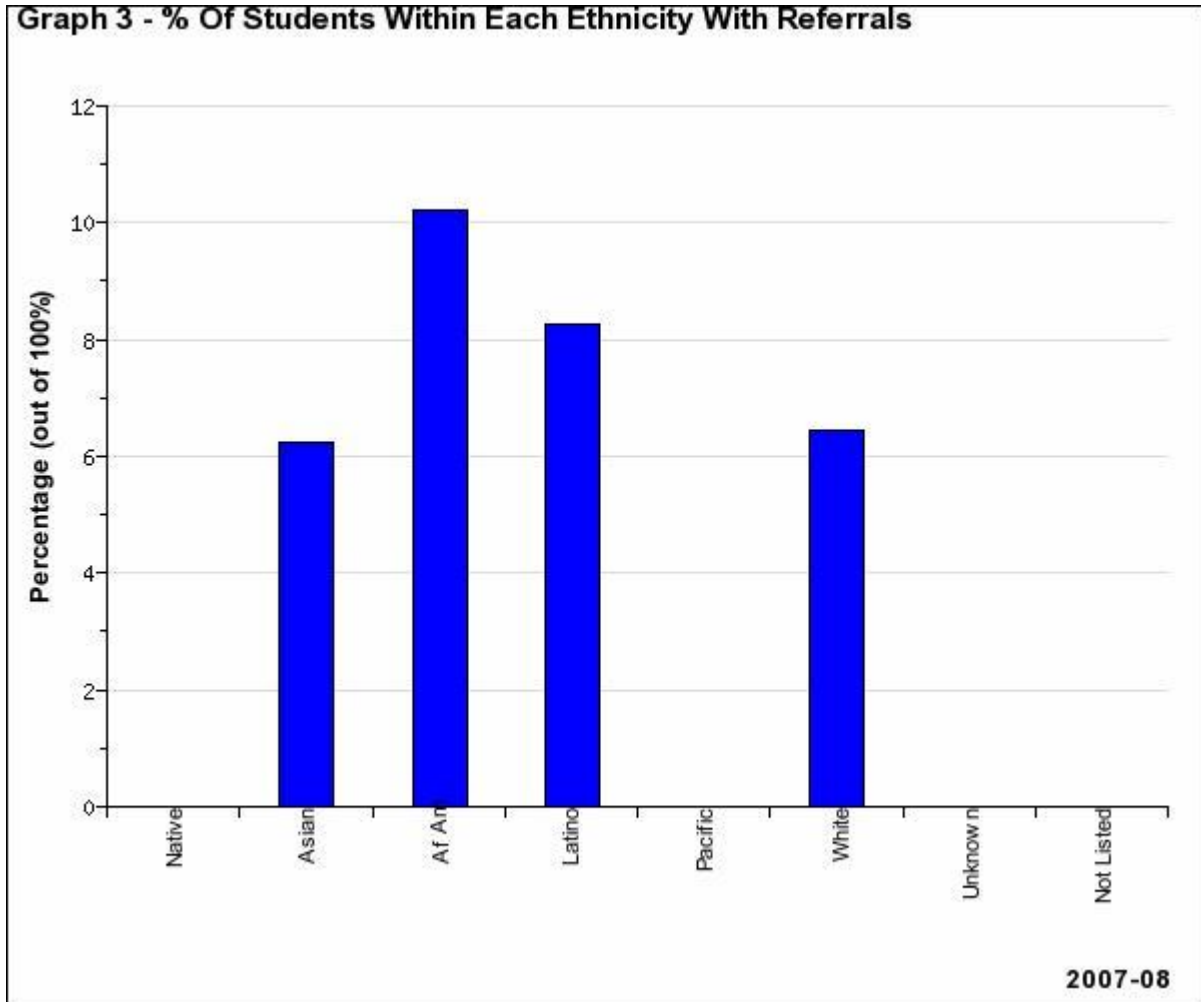

Table for Graph 3

| Number of Enrolled Students | Number of Students With Referrals | Percentage of Students Within Ethnicity With Referrals | |
|------------------------------------|------------------------------------------|---------------------------------------------------------------|---------|
| Native | 3 | 0 | 0.00 % |
| Asian | 32 | 2 | 6.25 % |
| Af Am | 88 | 9 | 10.23 % |
| Latino | 109 | 9 | 8.26 % |
| Pacific | 0 | 0 | 0.00 % |
| White | 357 | 23 | 6.44 % |
| Unknown | 0 | 0 | 0.00 % |
| Not Listed | 0 | 0 | 0.00 % |
| <u>Totals</u> | 589 | 43 | |
